To Live in Peace (a poem by Michael Palfree of Alford)

The battlefields are quiet now,
no more guns to hear
and poppies grow across the fields,
no enemies to fear.

The soldiers lie in silent rows
and roses grow beside
their headstones, where their shortened lives
have memories to hide.

I see their names and where they fell
when fighting for the right
for us to live and play each day,
and sleep at home by night.

They will never see our land
nor hear their children cry,
but we can rest and see the sun
set slowly in the sky.

So when morning comes we should
remember them for they,
gave their lives for us to live,
another peaceful day.

Ever-living God, we remember those whom you have gathered from the storm of war into the peace of your presence; may that same peace calm our fears, bring justice to all peoples and establish harmony among the nations, through Jesus Christ our Lord. Amen

At our church council meeting we decided that, during November and early December we would like to collect items for the Sutton on Sea Community Food Larder to be included in their Christmas hampers. A leaflet is available of their 'wish List'. These hampers are not just parcels of food, they embody the spirit of the community, generosity and support for those who might otherwise struggle during the festive season. Please give as generously as you are able.

Saturday 15th November - World day of Prayer preparation day, 10am-2pm. This will be held at our church. Everyone is invited to come and share fellowship and enjoy preparing for the 2025 World day of Prayer Service, prepared by Christian women from Nigeria. Please bring a packed lunch. Drinks, cakes and biscuits will be provided throughout the day, as well as a trading stall of resources.
